A Truly Unique Grandeur Property

Combining raw industrial and rustic elements with original period charm this is a must see property and will not disappoint! Conveniently located on a quiet wide street yet walking distance to an array of popular cafes and restaurants, Marrickville train station, Cooks river and various nature parks and public schools.

Features include:

- An expansive open plan living and dining area along with a second separate living area. Headlined with polished concrete flooring with heated areas, large bi fold doors to the courtyard, concreted ceilings and render textured walls.
- Spacious office fit out with L shaped bench space and cabinetry to separate entertaining from work
- In the theme of BIG, is the large kitchen perfect for creating master cuisines at home. With wrap around
