Welcome to a boutique Village complex of 8 townhouses converted from an original warehouse that dates back to the late 19th century. Originally a joinery, it was later used for a sheet metal business, then in recent years, an Artists Studio. Introducing modern comforts, materials and designs with rustic charm, 6 of the 8 townhouses have retained some of the original warehouse features in a functional yet artistically and visually pleasing way. With the facade of the original building carefully preserved and restored for posterity, here is your opportunity to live in and own a piece of history!

Set in a quiet and family friendly orientated environment that is also pet friendly. Located close to a variety of amenities such as Marrickville Public Schools Henson Park and a host of cafes and shops on Victoria Road.
