

40 Forbes Street Newtown NSW

A rare opportunity to secure a perfectly level ready-to-build land parcel in one of North Newtown's most exclusive pockets. Surrounded by high calibre homes and heritage terraces, this is an ultra-scarce blank canvas with the scale and configuration to build a luxury bespoke residence or explore a dual-terrace concept (STCA).

With rear lane access and ideal proportions for flexible design outcomes, this is one of the last undeveloped sites in this tightly held blue-chip location - footsteps to King Street dining, cafés, Sydney University, elite schools, transport links and green open spaces.
